## 2013-2014 Board of Director Report

This year I worked to start more alumni socials.

1. I contacted a few alumni in the Bismarck, ND area in regards to starting a social there but did not receive any responses.
2. I contacted Jared Foley in the Minot, ND area and he seemed interested. We talked a few times and I think he will do it if we can get him a contact list of people to set something up. I would imagine that our Membership Committee could get Jared email addresses for all alumni in that area as a start.

I did not take on any other specific tasks this past year other than being a voting member on decisions made during meetings throughout the year.

Respectfully Submitted,

Bill Beyer

## Spring Gathering Committee Report-July 4, 2014

Matt & Jodi Saari chair this committee. Report was submitted to the executive committee on June 22, 2014, since the Saari's are unable to attend this year's meeting.

### 2014 Report:

1. This year's event was held the evening of Friday, May 16th from 7:00-9:00 at Camp Wilderness to coincide with an incoming camp staff training weekend.
2. As in past years, the focus of the event is to welcome the new and old staff members and thank them for their service for the upcoming scout camping season, and introduce them to The Alumni Association.
3. For this year's event, a cracker barrel-style gathering was held with light snacks and appetizers. We planned on serving about 40-50 people. It is estimated that we had close to 45 attend. The luau theme from past years was continued through decorations and signage. Overall the event was very well received and we thought it was a success.
4. The event was promoted via Facebook on the *The Association's* Facebook page and by signs posted around Camp.
5. *The Association* did provide "give away items" consisting of mini beach balls. However, we did not give out many as they were not very visible in the dining hall. Next year we have plenty of balls to hand out with the leis as people come in.
6. Alumni in attendance included: Chad Swenson, Bob Rezac, Jim & Jan Porter and Jill Olson. Alum Cindie VanTassel supplied delicious baked goods for the gathering. A warm thank you to Cindie for the baking!
7. The budget from previous years has been \$250.00. This year's event stands at \$206.14. The budget is attached for review.

### Current Issues:

1. The Saari Family would like to be reimbursed for \$206.14 of the expenses.
2. A date needs to be set for next year's event. This date can be at the end of a staff training week (not Father's Day weekend) or at a similar training weekend. We can coordinate with Brad Olson later this fall/winter to establish a date.
3. New ideas/suggestions for 2015:
  - a. Continue to get the word out sooner to get more alumni involved.
4. The Saari's would like to continue to chair this committee and host this event, if the incoming president and executive board desires.

Respectfully Submitted,

Matt & Jodi Saari

Publications Report- NLC Alumni Association

We produced 3 Aurora newsletters, distributed both electronically and printed and mailed for those requesting them in that manner. All of these were on time.

We also added some more interactive opportunities. One is a blog that has been used occasionally. Have about 5 blog posts, but zero published comments from members on any of the posts. In addition, we have been posting (approximately weekly), some quizzes, "fun facts" and historical pictures on our Facebook page. There is a strong level on engagement with these posts.

Respectfully submitted,

Included in this report is a membership database report. It includes all persons who have been a member in the Association since the inception of The Association. It also includes their membership status and standing.

The committee needs additional members within the Northern Lights geographical boundaries to help promote membership and be able to register new members.

The committee needs individuals to travel to the Fargo Scout office periodically and retrieve membership information, scan and send it to the Committee Chair.

This past year the committee sent invitations to past camp staff members who have been away from camp for 5 years to join The Association. We found success in obtaining lifetime members through this method. This will be continued this year.

This past year the entire Wilderness Staff photo roster has been updated and is in the photo album. It is the intent of the committee to update the Metigoshe photo rosters this coming year.

Increased Email and post card renewal notifications have been send prior to July 4 to remind annual members and lifetime members with outstanding dues to pay.

I would like to continue as the Membership Committee Chair for the 2014-2015 term.

Respectfully Submitted
