60th ANNIVERSARY WORK WEEK-END

Sixty years – already! I guess you really can say ‘Time flies while you’re having fun’!

A lot has transpired since they opened the gates of Camp Wilderness. Over the years, many groups have worked on the camp facilities and thoroughly enjoyed the camp they built.

Once again, our work weekend is just around the corner. A little more fun at the Rendezvous Romp, a couple more weeks of ‘balmy’ winter camp, a spring camp inspection and we will be ready for the work weekend projects. This won’t be the regular event you are used to though. This is the year that most of the scouters can pitch in and help create the newest portion of the camp. Yes, the Cub Camp is finally here. A lot of work has been done in the last few months, and the contractor will soon have the Cub Camp ready for the volunteer

scouters to ‘pitch in’ and put some final touches to the camp especially geared to the cub scouts and Webelos resident campers.

In the Boy Scout portion of the camp, we already have about a half dozen major projects to work on and the Cub Scout camp promises to have that many or maybe even more. Now would be a good time to start coordinating with your fellow Alumni and plan to pitch in. Be sure to pay attention to the Hi-Lites for the current information.

Even more this year! Yes there is more. We have some project weekends this year where interested scouters can come to camp in March and April to do some smaller projects in the shop to have ready to install in the Cub Camp during the summer. Things like the waterfront ‘buddy board’, campsite bulletin boards, campfire benches, maybe a shelter when the weather cooperates. You can also look forward to helping the new waterfront facilities take shape. Three major projects are available to create the shooting sports facilities in the cub camp.

Another venture to pitch in on will be the 60th Anniversary tree-planting project. This will be the spring that determines what the new Cub Camp facilities will look like in years to come. Now if some of you are adept at coming up with a good landscaping plan for the tree planting crews, stop by camp and have a chat with Ranger Andy.

Spring camp inspection weekend may be the time we lay out the tree locations for the planting crews. Make some plans to come join us.

Alumni Socials are a BIG Hit

Fargo

The first Tuesday of each month at Buffalo Wild Wings friends of camp in the Fargo area gather for wings and fellowship. Now on our fourth social many beverages have been drunk, old friends have been reunited, and new friends have been made. Each month somebody new shows up and surprises the group. Even Andy Hippy Hoffman drove down to share some memories. With ten to fifteen people stopping by each social there are always enough interesting conversation and stories to share.

This spring an idea has been put out to have some of our meetings out on the patio at Doolittle's to enjoy a drink and friendship all while by being warmed up by their campfire. Our group would like to challenge the "old guard" to join in and meet monthly as well. It would be great to see other scouters, scoutmasters, and staffers that either are still in scouting or even better those that have not been around in awhile.

No pressure, just friends of camp getting together and having a great time.

The 4th of July lands on the first Tuesday if your in Fargo plan on stopping by at Doolittle's or better yet meet us at George's for fireworks. Just remember to bring a hard hat and some conversation.

Anyone and everyone are welcome it is just a gathering of like-minded people who enjoy each other's company. We share a little about what is going on each other lives and learn a little what's going on at camp. It can be whatever... as there is no agenda, but there is plenty of great food and drink. The next social is set for February 7th starting around seven till about nine.

Grand Forks

The first Grand Forks Area Alumni meeting was held on October 16th at the Happy Joe's in Grand Forks. Several local and some distant Camp Wilderness alumni attended for a friendly meal and conversation. At the event were Glenn Larson, Erik Williamson, Nathan Anderson, Mary Jane Stewart, Chad Swenson, Monte & Jenn Fronk, Chuck Votava, and Kristen Votava. Also included were 'scouts to be' James and Beau Votava. Mary Jane brought several camp staff photos and fond memories, which sparked conversation. Everyone enjoyed a few hours together with such a great variety of staff representation. Some new ideas were also developed at the meeting. The group hopes to have quarterly get-togethers and perhaps create alumni coats, shirts, etc. to be sold with the camp logo.

Another get-together for the Grand Forks Area Alumni will be held on Saturday, March 18th at 7:00 pm at Buffalo Wild Wings, Grand Forks. Please stop by to meet past friends and help with planning future meetings! We will also discuss the

development of Camp Wilderness alumni clothing. E-mail Kristen and Chuck Votava at chuxvot@aol.com with any questions, ideas, or to RSVP. We'll look forward to seeing you there!

Association Bylaws to be Amended

During the 2005 Annual Meeting, the Executive Board set forth a motion to update the bylaws. Changes will include a means of replacing an officer who has stepped down, as well as separating the officers election process from the Board of Directors. With the approval of the bylaws, instead of a person being elected each year to start as executive secretary, then move to president, then past president, then be on the board of directors for three more years, the positions will be split into two elections. A person will be elected to be executive secretary, then move to president the following year, then past president. Each year, a new person will be elected to fill a position on the board of directors. The position will be for three years. A copy of the current bylaws can be found attached near the end of this aurora issue.

Sorry About the Postage

We goofed. The Fall Aurora was sent out without enough postage. We apologize to those who had to pick up the extra postage to get it delivered. We hope that you enjoyed the last publication and found it packed with valuable material.

Still Spinning a Web

In the last issue of the aurora we announced the new addition to our association. Yes, The Association now is on the web! The web page is growing and new exciting features are being added. Want to find a past issue of the Aurora? Want to look up who was on camp staff in what year? Want to see photos of camp and staff members? Do you want to keep up to date on events and participate in an online

discussion forum with past and present staff members? Well you can do all that and more on northernlightsalumni.com. Anyone involved in association business can apply for a yourname@northernlightsalumni.com e-mail address. If you have any updates or information you would like on the web page then contact the webmaster at nlalumni@northernlightsalumni.com or if you have web page skills that you are willing to share then you can volunteer to be an assistant webmaster. Help is always appreciated! See you on the web!

Oral History Creation

Even though I do not live near the Northern Lights Council anymore, my mind and heart are never far from the camps that have served her Scouts. As you are aware, the Northern Lights Camps has a rich tradition of building great experiences for the Scouts, Leaders, and Staff who attend and work the camps.

As the camps age and some of the camps have closed, those stories, histories, and traditions start to fade. Our memories of years, names, and faces also fade away and we find ourselves asking, “oh, who was it that worked with me in...” In an attempt

to capture these memories, we have started to gather written and oral histories.

As a trial basis, we have contacted two Wilderness staff members from the mid 40’s and asked them to write down, or record stories and memories. We have had great success and hearing the stories on tape is captivating for me. We have alum in Minneapolis who takes the tapes and breaks them up into audio segments in MP3 format. We eventually want to have a full history display that people can select years, story types, descriptions of camps and areas and listen to it through the voice of the teller.

We are asking for your help. We want to hear your stories. We know that this could be a daunting task, but the people who have already done it say it was a wonderful experience and they would do it again. We encourage you to get together with old friends, put the recorder on, and just start talking. Don’t worry about editing the tape; we will take care of that.

So please, help preserve the history of our camps in a way that people can enjoy and learn from for years to come. If you are interested, please contact me at 913-221-7252 or chris.soper@northernlightsalumni.com. I have some topics and other information to help get you started.

Got Memorabilia?

With the creation of The Association web page and digital technology, we have expanded our ability to share that memorabilia that we have stored in boxes in our basements. We are in the process of gathering digital pictures of camp patches, staff shirts, and what we are really in need of, staff pictures. If you have any of these sitting around, set it out and snap a few shots of it send me a copy. Pictures can be easily scanned at local drug stores and discount stores. Send your digital treasures to me at

Chris.Soper@northernlightsalumni.com or levelboy@hotmail.com and I will make sure that they are added to the web site.

"A Good Ole Fashion Cabin Building"

This year the Alumni Association has chosen to raise money for a new cabin at Camp Wilderness. We will be rebuilding Cabin Three that burnt down a number of years ago. This project will help bring in extra revenue to the council and will also allow the Alumni Association to have a noticeable project at camp. The goal is to raise the money that is needed this year and to have the cabin built by the summer of 2007. We will be placing a goal sign near were the cabin will be built, that will be updated every week during the summer. If you feel more comfortable in just helping out in the cabin building then feel free to get a hold of me or one of the other board members.

If you are interested in help supporting this year's project please fill out the enclosed form and send it into the Fargo Scout Office (address enclosed) C/O Brad Olson Alumni Project. If you have any questions feel free to contact me at either my phone (218)686-1597 or email me at Dexterminn@aol.com.
