

## Conference Call minutes

March 18th, 2012 7:00 PM

Chris Soper, Chad Swenson, Brad Olson, Ryan Foley, Adam Dewey, Mike Melby

The museum is getting ready to be filled with items. The work on the building is mostly done. Some chairs and tables will need to be added.

Winter camp did not nearly have enough snow. Over 400 people attended camp this past weekend. We are hosting 2 national camp schools this spring. About 50% of the camp staff are returning.

We have 1 nomination for the Alumni Achievement award. 3 are also left last year. Please send your nominations to Mike Melby.

The Fall Fellowship needs someone to take charge of it.

Spring weekend will be the weekend of Father's Day. We may reschedule next year if attendance is low.

Reunion week this year will include Matt Everson and Ashley Butenhoff's wedding. The wedding will be on Saturday in the campfire area at 1 pm or 2 pm.

111 members are in good standing. Invitations will go out to members to renew or upgrade their status.

We have \$5,734.14 in the alumni account.

Total in the staff scholarship is a little over \$9,300. Two applicants have applied already. \$450 will go out to the recipient Alyssa Rogalla. Motion by Jenny, seconded by Chad. Motion passed.

Transfer of the concession stand money. Brad moved to split the money 80% into the alumni funds as soon as the check comes into the office, and the other 20% will go into the endowment fund. Second by Chad. Motion passed.

The History Project plan is being recorded and managed through Google Docs. The Black family is going through their archives and seeing how they can help. Any help with writing and ideas should go to Chad. No opening ceremony has been planned as of yet, but the items should start going in at the start of May (1st). Many displays will be available. Roger Smart is donating a fair amount of his collection and time to the project.

We will be drafting a letter for donations for the stained glass window project at the Scout Office. \$100 have been donated already.
